

Student Pilots:

- Congratulations on your selection to ENJJPT! This 55 week program will be an exciting and challenging time in your life.
- Student pilots at the 80 FTW are assigned to the Office of Student Training (OST) within the 80th Operations Support Squadron.
- You will not be assigned a sponsor, but the OST will assist you with any questions you may have.

Prior to Arrival:

- Call (940) 676-5055 between 0800-1630 CST if you have any questions.
- If unaccompanied: Call the UOQ manager at 940 676-3648. Do this no later than 1 week before arriving at Sheppard in order to arrange a dorm room.
- If accompanied: Call Balfour Beatty housing communities (on base housing) at 940 613-0698 or you may begin looking into off-base housing options.

In-Processing (ABUs):

- When you arrive on base, your first stop will be at the OST to check in with the Casual in Charge of Casuals (CINCC "sink"). Be sure to bring a copy of your orders. Located in the Operations Group Building (1830 H Ave, Bldg 2316, Room 120). See map for directions.
- The CINCC will give you a packet and further instructions on how to complete your in-processing. The process can change, and it is recommended that you adhere to the CINCC guidance as opposed to listening to friends who have already gone through the process.
- You may be given up to 10 business days to complete the process. However, this is at the direction of the OST/ADO.
