The Solid Rock Café (SRC) is a benchmark Airmen Ministry Center at Sheppard Air Force Base. It is a facility dedicated to Airmen and their families with various equipment, events and programs tailored to meet their needs. In order to make this possible, the chapel relies on the volunteer Airmen who serve in our White Rope program to assist us in ministry. If you are an AiT and would like to become a White Rope or would like more information about the program, please see us at the front desk!

The SRC is open to everyone of ALL ranks, military branches and nations!
